</table>

Information, comments, & approvals:

13 Oct 2011 JWBrown
The purpose of this form is to gather information for the moderator at the Microbiology graduation ceremony to say while students walk up to the stage to receive their diploma cover. Note that you’ll be given the opportunity to give a quick “Thank you” message to those in the audience while on stage.

Please provide enough info and details for the moderator to cover in about one minute in condensed form.

What are your current plans post-graduation? (We’ll try to get an update closer to graduation)

Do you have any family history or personal info you’d like mentioned?

What awards, honors, travel, study abroad, undergraduate research internships, or other unusual experiences have you had while at NCSU?
